

Designed for Australian conditions

- Multi-purpose Garage or Shed
- Roller and personal doors, windows and skylights

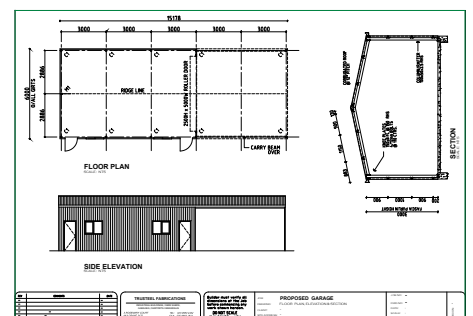

Trusteel Garages provide optimum functionality and variety to suit your storage needs.

From a typical garage with roller doors and removable mullions through to partial roof covers - or perhaps a combination of both with a Garaport solution, we've got you covered. Garage options also include personal doors, skylights and windows to provide natural light. Built with strong welded plates, already pitched for easy bolting, these garages are designed and built for Australian conditions.

We make it happen!

Depending on your needs, your new Trusteel building may also include;

- ✓ Professional advice
- ✓ Foundations & concrete slabs
- ✓ Building permits
- ✓ Fabrication & installation
- ✓ Engineering
- ✓ Coordination of contractors
