

Built to your size

- Partial Roof Cover
- Gabled Colorbond® clad roof
- Polycarbonate weather wall

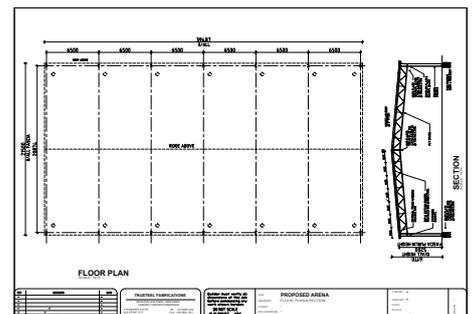

Trusteel Arenas can be manufactured in many different ways with many options available to suit your specific needs.

Some of our most popular arena's feature partial roof coverings, clad in Colorbond®, with polycarbonate weather protective walls. We also produce fully enclosed arenas with large riding surfaces, angled boards with rails and sliding doors. Or for our simplest design, a roof only cover with the option of hot dip galvanised columns for durability and long lasting weather protection.

We make it happen!

Depending on your needs, your new Trusteel building may also include;

- ✓ Professional advice
- ✓ Foundations & concrete slabs
- ✓ Building permits
- ✓ Fabrication & installation
- ✓ Engineering
- ✓ Coordination of contractors
